MEMORANDUM FOR: Director of Sigint Operations, DDS&T

FROM : Bruce T. Johnson
Director of Data Processing

SUBJECT : Automation Terminals

REFERENCE : Memo from D/OSO, dtd. 18 March 1981,
Same Subject (OSC-0017-81)

1. In the referent memorandum, you stated that there may be several procurement requests in FY 1981 for terminals for use on Automation Terminals and in FY 1982 for spare components. You also indicated that the Delta Data 7260T could not meet your requirements at this time.

2. Therefore, under the circumstances, blanket approval is provided for procurement of terminals in FY 1981 and appropriate spare components in FY 1982.

3. If there are any questions on this subject please contact my Chief, Management Staff, Mr. black or red.

/s/ Bruce T. Johnson
